## Solar provider statement

Safety, compliance and the integrity of the Solar Homes program is of the highest priority for Solar Victoria. We will conduct regular auditing of compliance requirements and installations to ensure the integrity of the program and safety of installers and householders is achieved.

By providing this statement, you agree as the Solar Provider that the installation to be completed at the applicant's address stated on this form, will:

- » Be conducted by a Clean Energy Council (CEC) accredited installer.

Yes No

- » Be conducted by an installer that holds a current unrestricted Class A Electrical Licence registered with Energy Safe Victoria, or an equivalent Australian interstate licence with mutual recognition by Energy Safe Victoria.

Yes No

- » Be conducted by an installer that has no prosecutions registered with Worksafe Victoria or an equivalent authority in Australia in the past 3 years.

Yes No

- » Be conducted by an installer that ensures safe work methods and fall prevention measures are in place as per the *Occupational Health and Safety Regulations 2017* (S.R. No. 22/17) and otherwise ensures all other applicable occupational health and safety laws and requirements are complied with.

Yes No

- » Have only Clean Energy Council approved products installed.

Yes No

- » Have installation completed by the installer by 1 June 2019.

Yes No

### Scam Watch

**Home owners applying for a Solar Homes rebate are not required to provide home ownership or income details to their solar provider. If you are asked for this information, please report this activity to Consumer Affairs Victoria at [www.consumer.vic.gov.au/contact-us](http://www.consumer.vic.gov.au/contact-us) or 1300 55 81 81.**

Do you agree as the Solar Provider to provide all the required installation documentation to the applicant post installation?

Yes No

This being:

- » Certificate of Electrical Safety
- » The PV Small-Scale Technology Certificate (STC) Assignment Form
- » Distributor's Solar Connection Form or Micro Embedded Generator Connection Form or similar\*
- » Electrical Work Request, CR Number, or similar evidence of notification to the distributor and retailer of the solar installation.
- » Receipt including total cost of system installation, any discounts and rebates applied (e.g. STCs), and the amount paid by the customer.

\*Not required if off-grid installation

**I declare as the Solar Provider that:**

- » The information I have given is correct
- » Giving false or misleading information will render the applicant ineligible for the rebate or liable to reimburse Solar Victoria for the amount of rebated paid.
- » I need to inform Solar Victoria of any changes to the information provided in this form as soon as the change occurs.
- » I have read and accept the Privacy Statement
- » I have read and accept the Terms and Conditions

Solar Provider signature: .....

**Solar Victoria  
PO Box 104, Morwell VIC 3840**

## Privacy statement

Sustainability Victoria collects, uses and discloses personal information for the purpose of administering Solar Victoria's Solar Homes Package including the Solar Panel Rebate and the Solar Hot Water Rebate and may not be able to do so without this information. We will handle personal information in accordance with the *Privacy and Data Protection Act 2014* and our Privacy Statement, available from <https://www.sustainability.vic.gov.au/privacy>. We may disclose personal information to other agencies and third parties for verification, reporting, inspection or auditing purposes and we may contact you to seek your feedback on the rebate program or to discuss other energy initiatives. If you have any questions relating to the Privacy Statement or wish to seek access to the personal information which we hold about you, please contact us in writing addressed to: [privacy@sustainability.vic.gov.au](mailto:privacy@sustainability.vic.gov.au)

## Terms and Conditions<sup>1</sup>

As the Solar Provider, you are responsible for ensuring that the information you provide is accurate and complete, as this will affect the applicant's eligibility. The purpose of the Solar Provider Statement is to assess the eligibility of the installation. A signed and dated Solar Provider Statement is required to be provided to the applicant to qualify for and claim a rebate. You must not use the Solar Provider Statement for any other purpose.

### Application and amendment of these terms and conditions

Rebate eligibility is governed by these terms and conditions. By completing this Solar Provider Statement, you agree to be bound by and abide by these terms and conditions. Sustainability Victoria reserves the right to amend these terms and conditions at any time.

### Reliance on the Solar Provider Statement

The applicant will rely on this Solar Provider Statement to qualify for a rebate. Sustainability Victoria reserves the right to contact other government agencies and third parties to verify the information contained in the Solar Provider Statement. If you provide false or misleading information, we may refuse to accept any further Solar Provider Statements from you, report you to the Clean Energy Council or take such other action as we consider reasonable.

### Exclusions and limitations of liability

To the extent permitted by law, we will have no liability to you for any direct or indirect loss including any personal injury or property damage, economic loss, loss of contract, loss of profit or revenue, loss of opportunity, loss of production, production stoppage, loss of data or other loss, harm, damage, cost or expense (including legal fees), and whether arising under any indemnity, statute, in tort (for negligence or otherwise), or on any other basis in law or equity.

### Governing law

Any disputes in connection with this form and these terms and conditions will be governed by the laws of Victoria and you submit to the exclusive jurisdiction of courts in Victoria.
